

# PROJECT BRIEF

WIS 50 Reconstruction  
117th to 43rd avenues | Kenosha

August 2, 2022

## WIS 31 (GREEN BAY ROAD) TRAFFIC SWITCH

The Wisconsin Department of Transportation (WisDOT) is underway with reconstructing WIS 50 (75th Street), between 117th and 43rd avenues, in Kenosha County. The following work is scheduled to take place as part of this project.

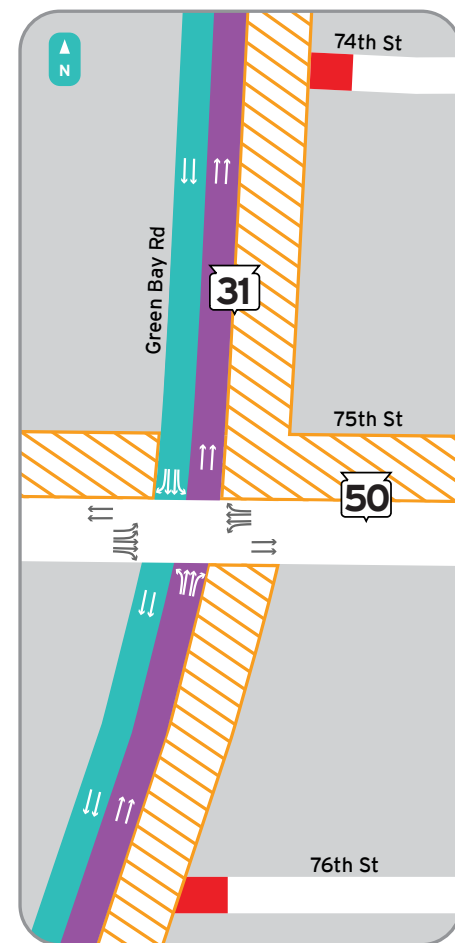

### Wednesday, August 3:

- Traffic on WIS 31 (Green Bay Road), from 78th Street to 67th Street is scheduled to be shifted west onto the current median, while crews work to reconstruct the northbound lanes.
- 74th and 76th streets, east of WIS 31, are scheduled to close to traffic while crews work to reconstruct the intersections.

Bi-directional traffic on WIS 31 (Green Bay Road) will be maintained throughout construction. Motorists should be aware that dedicated turn lanes and median openings in various locations throughout the project are scheduled to close to traffic while intersections are under construction.

Access to businesses and residences will be maintained throughout construction.

**Please note that all work is weather dependent and subject to change.**
